

“Strong, Lightweight and Reliable Heavy Duty Tarps”

ARK Heavy Duty Tarps are made from XF Film, it is a specialised Swiss patented film that makes our tarps strong, reliable and 100% waterproof for life.

We produce tarps and covers unlike anything commonly found in the market.

## GET THE ARK ADVANTAGE

UV resistance	UV inhibitors are incorporated in the raw material blend – 3 Year UV Guarantee
Waterproofness	Raw material is inherently waterproof throughout
Longevity	Long life as tarp is 100% waterproof and UV resistant through the entire thickness of the product
